School Captains and Leaders Badge Presentation

On Wednesday our 2013 Captains and Leaders were presented with their badges by local community member and ex-student Mr Allan Hibbert.

Mr Hibbert spoke to the assembly about his time at school during the late 1940's. The children proudly showed him around the school and then invited him to join them for morning tea.

Thank you to Mr Hibbert for taking time to come to our school.

Healthy Harold Comes to Town!

On Monday we were joined by the students from Hill End School.

The Life Education Van, complete with everyone’s favourite giraffe Healthy Harold, pulled up at the front of the school. Local Policewoman Haley Joseph came along to talk to the children about the duties of our friends the Police. The children had great fun being handcuffed and ‘arrested’.

Western Cricket

Congratulations to Cody Lawson who is now a member of the Western Region Cricket Team. Cody travelled to Dubbo last week to attend the Cricket trials.

The cricket team will compete at the State Carnival on 4th November.

Cody has been selected as both a batsman and bowler. A great achievement!

Easter came early for the Playgroup children as they sat down to a special morning tea on Wednesday. They modelled Easter bonnets they had made. Then it was time to head outdoors for a chocolate egg hunt.

Shorty, P & C will be sending home a form asking for your help at the Antique Machinery Rally where they will be running a food stall. It is vital they get as much help as possible. Please complete the form and return to school. See Helen or Louise if you need more information.

Facts about fractions

If you’ve forgotten 3/5 of primary school maths and 7/8 of high school maths, what’s left? Ah ha! Kids need help learning how to add fractions too. The only thing left is to print these fact sheets.
