Touch Football
Last Thursday the primary children attended the David Aldridge Memorial Primary School Touch Gala Day.
Hargraves entered two teams on the day. The children all played exceptionally, improving with every game.
Both teams played a total of four games, very impressively.
They were commended by the Mudgee High School student referees for their behaviour and sportsmanship.
Hargraves were the only small school who attended on the day and were very competitive and had a very enjoyable day.

Whole school excursion to Sydney in October—Thank you to families who have begun paying for their children to attend. Well done to those who have finished paying!
We need to know if your child or children will be attending as we are being asked by many venues to pay before visiting. If you have let us know that is fantastic—if you haven’t indicated if your child/children is attending please let Mrs Rae know as soon as possible.
If you are experiencing financial difficulty please speak to Mrs Rae.
Art with Mr Harding

In HSIE the Year 3 to 6 class have been learning about the British colonisation of Australia. They are now creating very colourful and creative Captain Cook artworks based on the book “I Wish I’d Sailed with Captain Cook”, written by Leonie Young.

Some of our parents had a busy time following the P & C meeting on Tuesday folding serviettes in readiness for the Duelin’ Piano show fundraiser.
