Book Week

Who are these crazy people?

Thursday was a great day with the children and staff coming to school dressed as characters from their favourite book. Thank you to parents and grandparents who visited the classrooms. Our special guest Lieutenant Colonel Laughton was unable to join us by Video Conference but Mrs Rae read a script written to the students by Nathan, which was enjoyed by all in attendance.

Goodbye Louise

We are very sad to report that on Thursday our friend and former staff member Louise passed away. Louise was a much-loved member of staff.

She was a breath of fresh air with her bubbly personality and loved working as a School Learning Support Officer in the Infants room with Mrs Unicomb and Miss Miles.

Louise was always a gentle, stylish lady, taking great pride in her appearance. She loved talking about fashion, her children and always showed a genuine interest in other people. She liked to laugh and share a joke. She attended Hargraves school as a student and later as a parent, worked tirelessly for the P & C as both the President and Secretary over the years.

Louise became ill last year and was unable to continue working at school. She and her children moved to Bathurst at the beginning of this year to live with her daughter Felicity. She was a very gracious, accepting person, never complaining about obstacles and hurdles that life had thrown her way. Her health declined rapidly over the past month. She fought the good fight as best she could. She passed away peacefully at home surrounded by her much loved children.

Crunch & Sip

Children are more likely to enjoy their Crunch & Sip if their produce is fresh and delicious. Choose fruit and veg that are currently in season and that feel firm, smell nice and look appealing.

Did you know that good quality cranberries will bounce when dropped? While we don't want children dropping good fruit on the ground, cranberries are full of Vitamin C, E and fibre, so pop them in your child’s bag for Crunch & Sip.

Crunch & Sip does not have to be limited to school days. Encourage your children to crunch on fruit & vegetables and drink plenty of water over the weekend and during holidays. Don’t forget to join in! Be a positive role model by enjoying Crunch & Sip with your kids as you set them up for a lifetime of healthy eating habits.
